**Award Year: _____ Fall/Spring Semester/Summer Session
(e.g. 2007-08)**

_____/_____
Name of Student Social Security Number

Request that any funds awarded to me in excess of the funds needed to cover my current charges be applied to prior year charges. This request is made freely and without coercion. The use of current year funds to cover prior year charges is the only way that I can enter school, since I do not possess any other resources. I have evaluated my current year charges and agree that tuition, fees and room and board (if applicable) **were paid before excess funds were used to cover my prior year charges.**
