ID#: ______________________________          Department: ________________________________
Miles College Email: ________________________Phone: ___________________________________

Miles College’s policy requires that all students receive a COVID-19 vaccination. A medical exemption may be granted upon receipt of a completed form (below) not more than 6 months old, signed and certified by a licensed healthcare provider, not related to the submitter, and whose specialty is appropriate to the associated condition that includes the following:

Medical exemptions expire when the medical condition(s) contraindicating COVID-19 vaccination changes in a manner which permits vaccination or upon graduation. The assigned expiration is at the sole determination of Miles College.

Individuals with an approved exemption will be required to comply with additional testing and other preventive requirements as specified in the exemption approval and as may be updated by later notification and/or posting of requirements on the Miles College website. In the event of an outbreak on or near campus, individuals holding exemptions may be excluded from all campus facilities and activities, for their protection, until the outbreak is declared to be over.

The Office of Health & Wellness Center will review all requests, though approval is not guaranteed. After your request has been reviewed and processed, you will be notified, in writing, if an exemption has been granted. If the approved exemption contains an expiration, you will be expected to complete the requirement at that time. Should the condition continue, or a new vaccination contraindication occurs, or the current exemption expires, a new request with updated documentation is required. Decisions are final and not subject to appeal. Individuals are permitted to reapply if new documentation and information should become available.

In order to submit a request, please:

- Read the [CDC COVID-19 Vaccine Information](https://www.cdc.gov/vaccines/);  
- Complete the following page of this form;  
- Have your Licensed Health Care Provider complete the provider section of this form;  
- Submit the completed documents

*Note: Incomplete submissions will not be reviewed. Be sure all forms and documentation are submitted at one time.*

Initial next to each of the statements below:
I request exemption from the COVID-19 vaccination requirements due to my current **medical condition**. I understand and assume the risks of non-vaccination. I accept full responsibility for my health, thus removing liability from Miles College to the required vaccination.

I understand that as I am not vaccinated, in order to protect my own health and the health of the community, I will comply with additional COVID-19 testing requirements and other preventive guidance.

I understand that in the event of an outbreak or threatened outbreak, I may be temporarily excluded from Miles College facilities and approved activities (including but not limited to College-owned housing). I agree to comply with these restrictions and accept responsibility for communicating with faculty and advisors as appropriate to allow compliance with health and safety requirements for unvaccinated individuals. I further understand that restrictions from Miles College facilities, including but not limited to classes and living spaces, does not entitle me to any reduction in tuition, housing charges, or other Miles College fees.

Should I contract COVID-19, I will **immediately** report it to Miles College (email to Healthctr@miles.edu) and comply with all isolation and quarantine procedures specified by Miles College and remove myself from the Miles College community if so advised.

I acknowledge that I have read the **CDC COVID-19 Vaccine Information**.

I understand that this exemption will expire when the medical condition(s) contraindicating vaccination changes in a manner which permits vaccination.

I understand that this exemption is only valid for the approved period and I may need to submit a new request for any subsequent changes, new medical contraindications, or on expiration of an approved exemption.
