History of Miles College

Miles College was founded by the Colored Methodist Episcopal Church, now the Christian Methodist Episcopal Church (C.M.E.) and chartered by the State of Alabama to educate African- American young people.

The history of Miles College began with efforts in 1898 by the Colored Methodist Episcopal Church in Alabama to establish an educational institution. At that time there were only two conferences in the State, the Alabama and North Alabama Conferences. Each conference made an effort to build an institution, and for some years each of these conferences operated separate schools, one in Thomasville, established in 1898, and the other at Booker City (now Docena), established in 1902. The Thomasville High School served as a feeder for Miles for several years. The College is generally considered to have developed from the high school operated at Booker City by the North Alabama Conference. However, it may be considered a merger of the two schools.

In the Spring of 1905, the Board of Trustees decided to expand the scope of the school's curriculum. Acting on this decision, they exchanged the site at Booker City for the present site and erected a large brick building along with one or more frame buildings. The work of the Institution as a College was begun in the Fall of 1907.

In 1908, the organization of the School was completed and it was chartered under the laws of the State of Alabama as Miles Memorial College, in honor of Bishop William H. Miles. In 1941, the Trustees voted to change the name of the College to "Miles College."

The college is still supported by and affiliated with the CME Church, although the faculty and student body represent many religions and cultures, national and international. For over 100 years of survival in a difficult environment, Miles College has held steadfast in its goal of providing a quality college education while challenging and molding the minds of future leaders. During our centennial celebration, we observed our rich heritage as Metropolitan Birmingham's only senior Historically Black College and the impact it has made in the lives of more than 8,000 alumni of Miles College including two mayors of Birmingham, judges, physicians, business leaders, legislators and teachers.

The College has had fifteen Presidents with the current President, President Bobbie Knight serving as the 15th President.

Miles College is physically located within the city limits of Fairfield, Alabama and is just two blocks from the western-most city limit of Birmingham. Throughout its history, Miles has maintained and continues to maintain an 'open' admissions policy that invites all students with a high school education who demonstrate the potential for and commitment to earning a baccalaureate degree.

Alumni of Miles College contribute to the global progress as leading educators, preachers, business executives, entrepreneurs, politicians and community leaders. The mobility of our alumni is evidenced by the growing demographic diversity of our students and leads to the belief that the impact of a Miles College education is widening the scope of enriched contributions throughout society. We are proud to continue a long standing tradition to educate students who otherwise could not attend college because of their lack of academic preparation, test scores or their lack of funds while also providing an honors curriculum for academically gifted students.

The Alma Mater

Hail to thee, our Alma Mater;
Dear Old Miles.
Though we toil, we'll not forget thee,
Dear Old Miles.
We will love thee as our home,
Though amid life's grandeur roam;
Alma Mater, Alma Mater,
Dear Old Miles.
Miles, the home of Southern beauty,
We love thee well.
Let our voices ring with praises,
Thy wonders tell.
We, thy loyal sons and daughters
Pledge to thee our loyalty.
For we love thee, yes, we love thee,
Dear Old Miles.
We will strive in life to serve thee,
Dear Old Miles.
All success in life we owe thee,
Dear Old Miles.
O'er thy hills and grassy plains,
Never shall our prestige wane;
Honor, love and praise we give thee,
Dear Old Miles.

Sexual Harassment Policy

Miles College affirms its policy to maintain a working and learning environment free from sexual harassment of students. Sexual harassment at Miles is not simply inappropriate behavior; it is a violation of federal and state laws. Miles College Title IX Coordinator is available at 205-929-1440.

Definition: Sexual harassment is defined as verbal or physical conduct of a sexual nature, imposed on the basis of sex, by an employee or agent of a recipient that denies limits, provides different, or conditions the provision of aid, benefits, services or treatment protected under Title IX.

Sexual harassment can cause serious physical or psychological damage to students; affecting grades, attendance, performance and pride in one's work.

SEXUAL HARASSMENT INCLUDES:

UNWELCOME SEXUAL ADVANCES, REQUESTS FOR SEXUAL FAVORS AND OTHER VERBAL OR PHYSICAL CONDUCT OF A SEXUAL NATURE CARRIED OUT BY SOMEONE IN THE WORKPLACE OR EDUCATIONAL SETTING.

SUCH BEHAVIOR MAY OFFEND THE RECIPIENT, CAUSE DISCOMFORT OR HUMILIATION, OR INTERFERE WITH JOB OR SCHOOL PERFORMANCE.

SEXUAL HARASSMENT MAY CARRY THE EXPLICIT OR IMPLICIT MESSAGE THAT IF THE VICTIM DOES NOT COMPLY WITH THE HARASSER'S DEMANDS, THERE MAY BE RETALIATION.

SEXUAL HARASSMENT MAY INCLUDE: INAPPROPRIATE PERSONAL ATTENTION BY AN INSTRUCTOR, ADMINISTRATOR, FELLOW STUDENT OR A PERSON WITH POWER OR AUTHORITY OVER ANOTHER; INAPPROPRIATE TOUCHING, PERSONAL QUESTIONS OR COMMENTS OF A SEXUAL NATURE; PRESSURE FOR DATES OR SEXUAL ACTIVITY; ATTEMPTED SEXUAL RELATIONS, SEXUAL RELATIONS, GENERALLY OFFENSIVE CARTOONS OR POSTERS, AND SEXUAL JOKES OR COMMENTS.

Title IX of the Education Amendments of 1972 states:

"No person in the United States shall, on the ground of race, color, national origin, age, or handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance, or be so treated on the basis of sex under most education programs or activities receiving Federal assistance."

Hearing/Grievance Procedure:

Miles College has a legal responsibility to respond to allegations of sexual harassment. The College will take appropriate steps necessary to prevent sexual harassment from occurring by: raising campus awareness; identifying actions which may constitute sexual harassment; outlining responsibilities for preventing sexual harassment;

explaining and making conspicuous procedures for dealing with harassment; and providing information on Institutional Policies and Practices for filing sexual harassment complaints.

Title IX mandates that all sexual harassment complaints be investigated and resolved in a “prompt and equitable” manner. Awareness of sensitivity to the potentially negative effect on the lives and careers of both parties involved is of great importance in handling an investigation; therefore, Miles College will assure confidentiality when dealing with a sexual harassment charge.

Informal Complaint:

Whenever possible, complaints should be resolved informally. . If informal steps prove unsuccessful, the matter should be further pursued via the formal complaint/grievance procedure.

Formal Complaint Procedure:

Students may wish to report instances of sexual harassment, in writing, specifying the form of redress desired, to the Title IX Coordinator, who in turn will forward it to the Grievance Committee.

- A. A complainant is defined as any student, who has instigated prosecution or who refers an accusation against a suspected person.
- B. A determination of sexual harassment must consider two (2) factors:
 - a. (1) the conduct itself; and
 - b. (2) the context in which it occurred.

The written complaint should include the name, address and daytime telephone number of complainant, and provide the date(s) of, and sufficient information about, the alleged incident(s) so that the College can understand the nature of the complaint.

The complaint should be filed within 90 calendar days from the last date of the alleged incident.

Persons needing assistance in initiating or writing a formal grievance may contact the Title IX Coordinator.

In the event the Institution’s Internal Grievance Procedure proves unsuccessful, the complainant has 180 calendar days from the last date of the alleged discrimination to file a complaint with the U.S. Department of Education, Office of Civil Rights. The time for filing may be extended upon approval by the Department of Education.

Due Process requires that all persons involved in the grievance - both the grievant and the respondent (the party alleged to have violated Title IX requirements) - be provided equal opportunity to present their case and to receive a fair hearing.

Grievance Process:

- A. It is the intent of the College to provide individuals with a variety of sources of initial, confidential and informal consultation concerning incidents of sexual harassment without committing the individual to the formal act of filing a complaint with its required subsequent investigation and resolution. Following informal consultation, an individual could then decide whether to: do nothing; take personal action (such as a letter to the harasser); request informal third-party mediation; or file a complaint with the Title IX Coordinator, which initiates formal investigation and resolution of a complaint.

B. Steps of Processing a Formal Grievance/Complaint after the Title IX Coordinator receives the complaint in writing:

- a. Step 1 - College Level
Authority: Grievance Committee consisting of a faculty member, staff member, and administrator.
- b. Step 2 - Administrative Level
Authority: President and Administrative Cabinet
- c. Step 3 - Governance Level
Authority: The Board of Trustees (either in its entirety or represented by designated members).

Each step of the grievance process will provide an opportunity for actual grievance resolution. Only those persons with authority to mandate action to correct or remedy any discrimination identified should be involved in decision making at these grievance steps.

- C. When the complainant files a written formal complaint with the Title IX Coordinator within the specified time, the following actions must be taken by the College:
- a. Respondent must be notified immediately (within 2 days of receipt of complaint), of the allegations against him/her.
 - b. A hearing must be held by the Grievance Committee no later than five (5) calendar days after respondent has been notified.
 - c. Due process will be afforded to all the parties involved (both parties must have an opportunity to be heard).
 - d. Upon written notification of the date, time, and place of the hearing, both parties will be notified of their rights to:
 - e. have present at the hearing an individual or individuals to speak on his or her behalf;
 - f. have counsel of his or her own choosing during the hearing. This counsel may act only in an advisory capacity. receive a copy of the names of witnesses, including a brief statement of their expected testimony; and a right to cross-examine the witnesses.

Hearings shall generally be closed to the public.

Formal rules of evidence and procedure shall be followed.

A written record of the hearing shall be maintained. In addition, the College reserves the right to tape record and/or videotape the hearing.

After a decision has been made at any stage of the grievance process, all parties should be notified, within five (5) calendar days, of the decision, and the grievant should be notified of his/her right to appeal the decision to the next level of processing.

The College may conduct searches for illegal drugs or alcohol on College premises based on reasonable suspicion. This might include rooms in the residence halls, personal vehicles parked on College property, lockers, and searches of students and employees when there is a reasonable and articulable basis upon which to believe that illegal drugs or alcohol have been brought on to College property and the search is conducted on College property.

STUDENT-ATHLETE STATEMENT AND DRUG TESTING CONSENT:

Each year, student-athletes will sign a consent form demonstrating their understanding of the National Collegiate Athletic Association (NCAA) drug-testing program and their willingness to participate. This consent statement is part of a total Student-Athlete Statement required of all student-athletes prior to participation in intercollegiate competition during the year in question. Failure to complete and sign the statement annually shall result in the student-athlete's ineligibility for participation in all intercollegiate competition. If the student-athlete is a minor (18 years of age or younger), the parent or legal guardian must sign the consent form.

MILES COLLEGE COMMITMENT:

Miles College will continue to provide Alcohol and Drug Awareness Education to the student body. Our goal is to provide education for prevention and to provide intervention when necessary. As part of our efforts to promote a drug-free Campus, Miles will sponsor several activities during the year to include, but not limited to: a week-long series of drug prevention activities during designated times such as the National Collegiate Alcohol and Drug Awareness Week; and various seminars conducted through speakers, literature, lectures and films in the residence halls, classrooms and chapel forums.

WHERE TO GET ASSISTANCE:

There is help available for persons who are in need of counseling or other treatment for substance or alcohol abuse. The College will assist students who request help because of a drug, substance, or alcohol dependency problem, including confidential counseling and rehabilitation through a professional Assistance Program. Participation in a professional program does not automatically exempt a student from disciplinary action for violating the College's Substance Abuse Policy.

Search and Seizure Policy

The College seeks to assure a climate which is conducive to the purposes of education and learning, which assures the health, safety, and welfare of all students, and which avoids disruption of the educational process.

To assist the College in the realization of a climate conducive to education and learning, Miles College officials, may search the person or the personal property of any individual, including that property or facility provided by the College, upon reasonable suspicion and probable cause to believe that an illegal act or a violation of the College rules and regulations which are designed or intended to protect the health, safety, and welfare of the persons and property entitled to such protection by the College, is being or is about to be committed.

The President or his/her designate may seize any property deemed injurious or detrimental to the health, safety and welfare of the personnel or students.

When the College authorities have reason to suspect that a violation of College policy or state or Federal law is present, they reserve the right to investigate and confiscate evidence of the violation. In addition, Miles College officials may make a cursory search of the student's room and person, including refrigerators, closets, wardrobes, desks, bags, boxes, knapsacks or any item that can be used for the concealment of an illegal substance.

Material evidence such as alcoholic beverages and empty containers, drug paraphernalia, suspicious odors, disruptive behavior, weapons or possession of stolen property will generally be the basis for such a search.

How to Start a New Organization at Miles College

1. The organizers must draft a constitution, bylaws, or charter that addresses at minimum:
 - a. the nature and mission of the organization
 - b. membership requirements
 - c. leadership roles and responsibilities (including faculty/staff advisor)
 - d. process for removal of someone in a leadership position and/or filling a leadership vacancy
 - e. organization operation (how often to meet, policy for quorum in a voting situation, etc.)
 - f. funding strategy and expected expenses
2. The organizers must recruit a faculty or staff (full time) advisor.
3. The organizers must present an initial membership list of at least 10 students or the minimum number of students necessary to establish the organization if the proposed organization is an affiliate, chapter, or charter of a nationally recognized organization.

When the organizers are satisfied with the constitution, it should be sent to the Director of Student Activities for review. The Dean and Vice President of Student Affairs, the Director of Student Activities or a designee may meet with the organizers to discuss the organization. Once the constitution has been approved for submission, the Student Government Association will vote on the acceptance of the organization at the next possible meeting.

The primary student founder(s) will need to attend that meeting where the organization is on the agenda. The Student Government Association might have questions or they might approve on the spot. It is possible that the Student Government Association may deny recognition to a proposed organization. The mission of the club cannot be contrary to the College's mission or be illegal.

After approval by the Student Government Association, the organization is officially recognized by the College and has all rights to use of facilities granted to recognized student organizations.

Student Disciplinary System and the Student Code of Conduct

Miles College places marked emphasis on proper conduct, social graces, orderly behavior, good manners, grooming, and concern for the individual and functions to provide teaching, learning, and social interchange in a healthy environment. Accordingly, certain rules and regulations must exist and be enforced. Such rules and regulations have been standardized into a **STUDENT CODE OF CONDUCT**.

The Student Code of Conduct applies to all students enrolled at Miles College. Miles College is a community like any other which has certain standards of behavior. Students, faculty, and staff are expected to conduct themselves in a manner that supports the educational goals and mission of the college. All individuals must abide by the law and college policies. Students who do not abide by the college guidelines and Student Code of Conduct are subject to discipline. Violations of the Student Code of Conduct are processed through the Office of the Dean and Vice President of Student Affairs. The administration of student discipline is recognized as a vital part of the educational process. The College will exercise its rules within the fair and proper established procedures of due process as appropriate.

Inappropriate Conduct

Inappropriate conduct by students at Miles College is discouraged and will not be tolerated. If a student engages in conduct that violates one or more provisions of the Student Code of Conduct, he or she will be subject to disciplinary action.

Such action normally includes:

- (1) Determination by the Dean and Vice President of Student Affairs to impose or recommend corrective measures, such as probation, suspension, or expulsion.
- (2) Any violation of one or more provisions of the student code of conduct that leads to suspension may be appealed to the judicial council except in the case of those infractions listed under the Zero Tolerance Policy and any violation that leads to expulsion. The recommendations by the Judicial Council on the appeal should be submitted to the Dean and Vice President of Student Affairs for consideration. However, the Dean and Vice President of Student Affairs reserves the right to uphold any suspension per the severity of such violation of one or more provisions of the student code of conduct.
- (3) The President of the College has a choice to review or not review any case before the Judicial Council.

Should a student be charged with a criminal offense, the nature of which may present a clear and present likelihood of serious physical or mental harm to the student or to any other member of the college community, the Dean and Vice President of Student Affairs, may impose such temporary sanction on the student, including suspension, as may be deemed necessary to protect the student, college community, and/or property from such danger. Such temporary sanction may exist and be enforced only until such time a final disposition of the case has been made and submitted by the Judicial Council to the Dean and Vice President of Student Affairs for consideration.

Further, the Dean and Vice President of Student Affairs shall have the power to impose such temporary sanctions (interim sanctions), including suspension, pending a hearing, when the student or group of students engage in conduct that materially and substantially interfere with the requirements of appropriate discipline in the operation of the college.

Sanctions

Experience suggests that most inappropriate behavior will involve violations of more than one section of the Student Code and, as such, may yield sanctions beyond those minimums spelled out in this code.

The following list of sanctions is illustrative rather than exhaustive. ***The college reserves the right to create other sanctions as it deems appropriate:***

- Expulsion from the college with permanent notation on transcript of disciplinary action Suspension from the college with permanent transcript notation
- Loss of eligibility for college funded scholarships or funds, including part-time work Cancellation of residence hall contract
- Probation - repeat violation of same code section or violation of any other code section while on probation could lead to the sanctions listed below
 - Loss of membership on teams, clubs, and officially recognized organizations Community service/uncompensated labor
 - Loss of institutional titles including but not limited to Miss Miles College or SGA President
 - Restitution
 - Loss of guest privileges on campus or residence halls Letter of censure or reprimand
 - Requirement of a letter of apology
 - Requirement of counseling, education, or College Forum Attendance

Due Process

For offenses that may result in suspension and/or expulsion, the procedures to be followed are:

Adequate Notice: A student who faces expulsion or suspension must be informed of the accusations and apprised of them with such specificity that an adequate defense can be prepared. Records of improper conduct should be maintained, and the rule broken must be legally defensible.

Rules and Regulations governing student conduct shall be distributed to the students and/or posted in a conspicuous place. These rules should be contained in the Student Handbook. A Miles College Student Handbook is available online.

Copy of Procedures: The involved student should be provided with a copy of the Judicial Council's decision in order to ensure that they know all of their rights.

Procedures for Administration of Disciplinary Action

Complaint: All acts of misconduct on the part of students shall be reported in writing to the Dean and Vice President of Student Affairs, who is designated the principal administrator to enforce college disciplinary measures as they pertain to student misconduct. Each complaint shall contain a statement of facts outlining each alleged act of misconduct and each regulation which the student is alleged to have violated. The complaint should also accompany one of the following: a Student Incident Report Form or a Campus Police report. Either form can be used for reporting acts of misconduct by the student.

Investigation or Review: The Dean and Vice President of Student Affairs shall call to be reviewed or investigated alleged acts of student misconduct reported to him or her. He or she may appoint a staff member(s) to conduct an inquiry into alleged misconduct, and the appointed member(s) shall recommend to the Dean and Vice President of Student Affairs what further action is required. The Dean and Vice President of Student Affairs may dismiss the allegation or impose immediate sanctions. The Dean and Vice President of Student Affairs may host an informal hearing and summon the student(s) to appear before him or her before imposing disciplinary action that may result in suspension or expulsion. In such a case the decision will be deemed as non-appealable to the Judicial Council. After a decision is made, the Dean and Vice President of Student Affairs shall notify the accused student(s) in writing.

Notification: When written notification is made by the Dean and Vice President of Student Affairs to the student(s) for alleged violation of misconduct, it shall contain a statement of the nature of the alleged or suspected misconduct, and state the section(s) of the conduct code the student(s) is/are alleged to have violated. Rights and procedures for appeal are explained if applicable.

Student Reply: The student(s) must admit or deny the alleged violations in writing. Cases of misconduct that result in suspension must be appealed by the following:

1. The student(s) must submit in writing a request to review the case with the name, address, telephone number(s) and student identification number on the top of the letter.
2. The student must state the date of the disciplinary action and by whom he or she was disciplined in the letter.

-
3. The student must state the nature and charges of the disciplinary action in the letter and the circumstances which merit review.
 4. The letter requesting a review must be signed and dated.
 5. The written request for review must be made within seven (7) days from the date on which the disciplinary action was taken against the student. In the event the disciplinary action was taken at the end of the semester, the student(s) has/have seven days from the beginning of the next semester to submit the request.

The student(s) waive/forfeit a hearing of the Judicial Council by failure to respond according to the procedure listed above.

Students who have been expelled can only appeal to the President of the College who is the final authority in judicial matters.

The Dean and Vice President of Student Affairs Reply: Upon receipt of the written letter requesting a review of the case, the imposition of any penalty is suspended until the appeal is finally decided. The Dean and Vice President of Student Affairs notifies the Chairman of the Judicial Council that a student(s) has/have requested a review of his or her case. The following will then occur:

1. The date, place and time for the committee review will be set
2. The student will be notified in writing within seven (7) class days after receipt of the student's request for a review of the meeting of the Judicial Council.
3. During the time after the submission of a letter of appeal, the student is responsible for preparing an adequate defense for his/her upcoming review of the Judicial Council.
4. The Judicial Council shall meet within five (5) class days after the student has been notified of the review.
5. The student who fails, without just cause, to appear in person for his or her appeal as notified forfeits his right to appeal.
6. Only the student and the Judicial Council Members will be present during the hearing.

Interim Action: If necessary, interim action may be taken while a student(s) is awaiting a review of his or her case. The President of the College or any member of the administrative cabinet may take immediate interim disciplinary action when in the opinion of such officials, the interest and safety of the college would best be served by such action. This interim action must be documented and can include suspension of the rights of the student(s) to be on campus and to attend classes.

The Miles College Judicial Council

The Miles College Judicial Council is composed of four students (each Class Vice President), three faculty and/or staff members, and the Dean and Vice President of Student Life and Engagement. The Dean and Vice President of Student Affairs shall be an ex-officio member of the Council. The Chairman of the Judicial Council must be approved by the President of the College or by the Dean and Vice President of Student Affairs when authorized by the President.

The Council will hear cases brought to its attention by the Dean and Vice President of Student Affairs. The Council has no jurisdiction over cases decided by the President of the College, nor shall it be interpreted to exclude an encroachment upon any authority or any Office of the Miles College Administration.

The Chairperson shall vote in cases where the Committee has a tie, and all votes shall be made by secret ballot.

Hearing Procedures

- The Judicial Council and/or the Dean and Vice President of Student Affairs may request, but not demand, that an accused student submit briefs or other documentation to the Judicial Council before a hearing; either party may file a brief voluntarily

- The student may present names of witnesses, affidavits or any documents desired prior to the hearing to insure adequacy for the presentation of his or her defense

Definitions

The following definitions and explanations apply to terms used in the Miles College Student Code of Conduct:

“College” or “institution” means Miles College.

“Student” includes all persons taking courses at the college, both full-time and part-time. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the college are considered “students.”

“College official” includes any person employed by the college, performing assigned administrative or professional responsibilities.

“College premises” includes all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the college (including adjacent streets and sidewalks).

“Community” includes any person who is a student, faculty member, college official, or other college employee. A person’s status in a particular situation shall be determined by the Dean and Vice President of Student Affairs.

“College-sponsored activity” means any activity on or off campus that is initiated, aided, authorized, or supervised by the college.

“Admonition” means a warning.

“Expulsion” means permanent severance of the student’s relationship with the college. Request for readmission and/or review of the case at a future date may be done only through written communication to the President of the College.

“Suspension” means temporary severance of the student’s relationship with the college for a specific period of time, though not less than one semester. A student expelled or suspended shall leave the campus and not visit the campus during the period of expulsion or suspension, except when on official school business. To violate this stipulation would affect adversely the student’s chance for readmission. During the suspension, the student shall not: (1) attend classes, or (2) participate in any College authorized activities. This status of suspension shall be reflected on the transcript only for the duration of the suspension, and will be removed by the Dean and Vice President of Student Affairs when the student regains eligibility to re-enter the College. A record of the disciplinary suspension remains a part of the student’s confidential record concerning individual suspension and shall indicate: (1) the date at which the suspension begins, and (2) the earliest date at which application may be accepted for readmission. The student must submit a written request to the Dean and Vice President of Student Affairs requesting readmission.

“Probation” means subjection of any individual to a period of testing and trial. Notice is given to the student that any further disciplinary violation may result in suspension or expulsion. Disciplinary probation may also include any or all of the following: the setting of restrictions or fines; the issuance of a reprimand; or a requirement of public work. A student on disciplinary probation will not be permitted to hold an elected or appointed office or to participate in or attend any contest, performance, or other extracurricular activity, on or off campus, that is sponsored by the college or with which the college is involved. This penalty is for a definite period of time determined by the circumstances of the case and is the most severe penalty under which a student may remain in the College. A record of the disciplinary probation remains a part of the student’s confidential record in the Office of the Dean of Student Affairs.

 12. Emergency situations occurring in the residence halls are to be handled by the Housing Services Coordinator who will in turn notify Campus Security. Campus Security will contact the Fairfield Police Department if the need arises.

FIRE REGULATIONS

Fires can happen anywhere. A fire in a large building creates an enormous risk to everyone. Other reasons for evacuating residence halls include natural gas leaks, and storms. Knowing what to do is the key to surviving a fire emergency. Conducting regular fire drills gives you the knowledge and confidence to escape a fire safely. There are two steps for a good evacuation program – planning and practice.

Everyone should recognize and respond to the sound of the smoke detector or other fire alarm immediately. Immediate response is vital for a quick, orderly evacuation. Everyone should exit in an orderly manner to prevent confusion and minimize panic or injury. No one should push their way out an exit. Single file lines are best in controlling traffic to the exits.

Fire extinguishers and smoke detectors are provided in each building for the protection of the lives and property of each resident. There are two extinguishers on each floor of the residence halls.

In case of fire, each student should do the following if you detect a fire in its early stages:

1. Call 911:
2. Awaken your roommate.
3. Get a towel and dress, if possible.
4. Turn on and leave the ceiling light burning.
5. **DO NOT** open windows, except to escape a fire blocking your immediate exit, close your door, leave unlocked.
6. Go to the nearest **END OF THE HALL EXIT**. Do not use the Center stairway.
7. Proceed to a distance of at least 50 feet on the front lawn.
8. The Resident Director will check immediately for missing students.
9. **DO NOT RETURN TO THE BUILDING UNTIL AN ALL CLEAR HAS BEEN ANNOUNCED.**

Fire Drills are conducted in the Residence Halls on a Regular Basis.

City of Fairfield Fire Department – 785-2422 or 911

DO NOT call the Fire Department or 911 with prank Calls. Your call can be traced, and you will be prosecuted. Students who activate a false alarm will be fined and/or expelled from the residence hall.

STUDENTS WHO FAIL TO EVACUATE THE BUILDING DURING A FIRE DRILL OR A FIRE EMERGENCY WILL BE FINED.

TORNADO WATCH – TORNADO WARNING

March through October is “Tornado Season.” The following terms are used by media and emergency agencies when referring to tornados:

1. **Tornado Watch:** Weather conditions are ripe to produce these storms. You should be alert to changing weather conditions and be prepared to seek shelter should Tornado Warning” be announced.
2. **Tornado Warning:** A tornado has been sighted in the area.

In the residence halls, you will be notified by one or more of the following:

- A. Continuous sounding of area alarm;
- B. Radio/TV news bulletins;
- C. Verbal notification from Residence Hall staff.

Upon receiving such notice:

- A. Close your room windows (if open) to avoid water damage. Leave your room immediately.
- B. Go to your designated safety spot.
- C. Grab a pillow, blanket, or coat to protect your head from flying objects.
- D. Residence Halls should be equipped with a weather radio.
- E. Listen to radio for weather bulletins.
- F. Refrain from using the telephone or entering your room during the danger period.
- G. Staff will notify when the danger is over.

There will be emergency familiarization programs as well as fire and tornado drills during the academic year. More specific information will be provided by staff.

STUDENTS WHO FAIL TO COMPLY WITH TORNADO DRILLS OR A TORNADO EMERGENCY WILL BE FINED.

Health Insurance Services

The College seeks to assure a climate which is conducive to the purposes of education and learning, which assures the health and safety of students while enrolled at the Academy.

All registered students are covered for Accidental and Supplemental Sickness Indemnity Insurance as a part of their comprehensive fee.

The College reserves the right to ask any student to submit to an examination whenever it is deemed necessary for the good of the student and the well-being of the College Community. Students whose health records reflect chronic ailments by frequent absences from classes may be requested, at the close of the scholastic year, not to return to the College until these ailments have been corrected.

All students with health emergencies should be referred to the appropriate health care facility or the nearest hospital emergency room. In the event an incident occurs the housing services coordinator, faculty, or staff should get the following information for the record:

1. What happened?
2. When did the illness or injury occur? Where is the pain or injury?
3. What has been done to help the student?
4. Does the student have a medical history or on medication?

The above listed information must be given to the emergency personnel and included in the incident report as applicable.

The student is responsible for all bills not covered by insurance and all transportation charges to and from health care facilities.

MILES COLLEGE
GREEK LIFE

2021

Policy on Fraternity and Sorority Affairs (Greek Life)

As an academic institution, Miles College engages students in pre-professional, academic, and social learning experiences. It stimulates the student's awareness and appreciation of accepted societal expectations.

The purpose of Fraternity and Sorority Affairs also known as Greek Life is to encourage and provide opportunities for students to develop interpersonal, social and leadership skills and encourage them to engage in campus and community service.

The Goal of Greek Life at Miles College

The goal of Greek Life at Miles College is to foster opportunities for students in the following areas:

Campus and Community Service

Members of fraternal organizations are required to perform service to the campus and the surrounding community.

Campus Engagement and Pride

Students in fraternal organizations are the ones first called to represent the institution and should exhibit knowledge and pride in the academy.

Scholarship

Membership in fraternal organizations requires high scholastic achievement.

Leadership

Students in fraternal organizations are required to develop leadership skills through participation in their organization and campus programs and workshops.

Friendship and Networking

Students who are members of fraternities and sororities establish friendship bonds that last a lifetime. They also learn how to interact with people from diverse backgrounds in many different settings (business and social).

Greek Life at Miles College aids the Office of Student Affairs in fostering culture, class and civility at the academy. Membership in campus fraternal organizations helps students develop interpersonal, social, communication and leadership skills.

The College requires that all students participating in organizations be enrolled in the College and possess a cumulative grade-point average (GPA) of 2.0 (C) for Non-Pan Hellenic Council fraternities and sororities, and 2.5 (C+) for NPHC Greek lettered Organizations; however, the fraternities and sororities' national membership intake may require a higher GPA than indicated herein, and it is the responsibility of the student to ensure that they meet the national requirement.

These advisors serve to aid the organizations in sponsoring wholesome and engaging activities for the College. Campus advisors/sponsors must be fully aware of College's expectations and policies.

The advisor must:

- Be a full- time or part-time member of the faculty or staff. Since the NPHC organizations are affiliated with a national office, the primary advisor may be an advisor assigned by the alumni/ae chapter.
- Be financially active and in good standing with their national organization if a member of the NPHC.

Miles College Guidelines for Greek Weeks

The time allotted for Greek Weeks will be determined by the Dean and Vice President of Student Affairs. Greek Weeks can include (but not limited to) activities such as educational programs, talent shows, community service projects, campus clean-up projects, church attendance, and pageants. All Greek Week activities must be approved by the Dean and Vice President of Student Affairs. Greek Week activities should positively display the organization and engage the entire Miles College community. Greek Weeks are excellent recruitment tools that allow the campus community the opportunity to get to know the members of the fraternity and sorority.

Although Greek weeks are allocated for a specific time, they do not, however, supersede Miles College activities, or another organization's activities. Other events and activities are allowed and will take place regardless of the assigned organizational week. No Greek Letter Organizations may infringe upon another organization's week by holding a separate event on campus without written approval from the organization that is hosting a week. If another organization is hosting an event off campus during an assigned week, they may not advertise their event on campus property.

An organization can advertise their events during their week only.

No Greek Weeks are scheduled during the week of Midterms, Finals, Spring Break, Religious Emphasis Week, Spring Arts Festival, or the SGA / Miss Miles College Elections. College sponsored events in campus facilities supersede Greek Organizational activities. Organizations cannot begin an activity before 7:00 a.m. or host an activity (on campus) after 11:00 p.m. Organizations may not host social events during class time or during chapel.

All member organizations are responsible for removing all decorations, flyers, and or garbage from their week. All advertisements must be removed by 11:59 p.m. on the last day of their week. Failure to clean up after every event or to remove advertisement by the end of the week will result in a clean-up charge of no less than \$100.00.

An infraction of the Greek Week Policy is subject to a fine or suspension to be determined by the Dean and Vice President of Student Affairs.

Miles College Policy on Greek “Step-shows,” “Yard-shows,” “Strolling” and New Member Presentations

Step-shows, Yard-shows, Strolling, and New Member Presentations are forms of cultural expression that provide entertainment and display the pride of an individual in his or her organization. Step-shows should create an environment that positively promotes fraternities and sororities to the campus community, especially to prospective members.

According to the NPHC Step-show Guidelines (originally written by Jasmine Andrews, NPHC National 3rd Vice President and B. Afena Cobham, Assistant to the NPHC Executive Director in 2001) “fraternities and sororities are strongly urged to consider positive themes when developing step-shows...When skits are performed, they should be developed to convey positive political, social justice, and moral messages.” Step-shows “which take the form of dancing, singing, and/or skits, should not be performed using lewd, indecent, or obscene behavior.”

In keeping with the goal of promoting culture, class and civility at the academy, any fraternity or sorority recognized by Miles College must refrain from public displays that exhibit lewd, indecent, or obscene behavior or uses music, songs, or chants that relay the same.

Organizations must refrain from “bashing,” “dissing,” or any form of disrespect, degradation or belittlement to any other organization (NPHC or MC-BGC). Organizations must insure that their costumes and attire are in good taste and not in violation of the student dress code. Organizations must also insure that new member presentations do not display anything contrary to the Miles College Policy on Hazing.

As the academy seeks to direct students to seek “holistic development that leads to intellectual, ethical, spiritual, and service oriented lives,” the activities of fraternities and sororities will promote unity, positive expression, healthy student engagement, and responsible citizenship. Fraternities and sororities represent the best and brightest of students matriculating at the academy and members should serve as an example of fine and true Mileans.

Any Greek, non-Greek, or approved organization on Campus can be asked to immediately cease “performance” at any time by the Dean and Vice President of Student Affairs, an Advisor, or any College Official who feels as though their display is inconsistent with the above mentioned policy.

Any organization in violation of the College's policy on stepping, strolling, yard-shows, new member presentations and dance performances, will be subject to fine and/or suspension and will be reported to their national office, if applicable and/or to The Office of Student Affairs.

All NPHC Weeks and New member presentations must be scheduled during the spring semester unless approved by the Dean and Vice President of Student Affairs. Non-Greek organization must be scheduled in the fall semesters unless approved by the Dean and Vice President of Student Affairs.

SEXUAL MISCONDUCT POLICY FOR STUDENTS, FACULTY AND STAFF

POLICY STATEMENT

In accordance with federal and state law, including Title IX of the Education Amendments of 1972 (“Title IX”) and Title VII of the Civil Rights Act of 1964 (Title VII), Miles College prohibits discrimination on the basis of sex in any of its education programs or activities or in employment. Miles College is committed to ensuring the highest ethical conduct of the members of its community by promoting a safe learning and working environment. To that end, this Policy prohibits Sexual Misconduct, a form of sex discrimination, as defined herein.

Miles is committed to reducing incidents of Sexual Misconduct, providing prevention tools, conducting ongoing awareness and prevention programming, and training the campus community in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”) and the Violence Against Women Act (“VAWA”). Prevention programming and training will promote positive and healthy behaviors and educate the campus community on consent, sexual assault, sexual harassment, alcohol and drug use, dating violence, domestic violence, stalking, bystander intervention, and reporting.

When Sexual Misconduct does occur, all members of the Miles College community are strongly encouraged to report it promptly through the procedures outlined in this Policy. The purpose of this Policy is to ensure uniformity throughout the colleges reporting and addressing sexual misconduct. Policy expressly prohibits Sexual Harassment, which includes, but is not limited to, Sexual Assault, Dating Violence, Domestic Violence, and Stalking, as well as gender-based violence, and/or violence based on sexual orientation or gender identity or expression. This Policy applies to all members of the Miles College community. This Policy is not intended to infringe or restrict rights guaranteed by the United States Constitution including free speech under the First Amendment, or the due process of Fifth and Fourteenth Amendments.

Definitions and Prohibited Conduct

Community: Students, faculty, and staff, as well as contractors, vendors, visitors, and guests.

Complainant: An individual who is alleged to have experienced conduct that violates this Policy.

Consent: Words or actions that show a knowing and voluntary willingness to engage in mutually agreed- upon sexual activity. Consent cannot be gained by force, intimidation or coercion; by ignoring or acting in spite of objections of another; or by taking advantage of the incapacitation of another where the respondent knows or reasonably should have known of such incapacitation. Consent is also absent when the activity in question exceeds the scope of consent previously given. Past consent does not imply present or future consent. Silence or an absence of resistance does not imply consent. Consent can be withdrawn at any time by a party by using clear words or actions.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the alleged victim. The existence of such relationship shall be determined based on the totality of the circumstances including, without limitation to: (1) the length of the relationship; (2) the type of relationship; and (3) the frequency of interaction between the persons involved in the relationship. Dating violence includes, but

is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of Domestic Violence.

Domestic Violence: Violence committed by a current or former spouse or intimate partner of the alleged victim; by a person with whom the alleged victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner, or by a person similarly situated to a spouse of the alleged victim.

Incapacitation: The physical and/or mental inability to make informed, rational judgments. It can result from mental disability, sleep or any state of unconsciousness, involuntary physical restraint, status as a minor under the age of 16, or from intentional or unintentional taking of alcohol and/or other drugs. Whether someone is incapacitated is to be judged from the perspective of an objectively reasonable person.

Nonconsensual Sexual Contact: Any physical contact with another person of a sexual nature without the person's consent. It includes but is not limited to the touching of a person's intimate parts (for example, genitalia, groin, breasts, or buttocks); touching a person with one's own intimate parts; or forcing a person to touch his or her own or another person's intimate parts. This provision also includes "Fondling" as defined by the Clery Act.

Nonconsensual Sexual Penetration: Any penetration of the vagina, anus, or mouth by a penis, object, tongue, finger, or other body part; or contact between the mouth of one person and the genitals or anus of another person. This provision also includes "Rape, Incest, and Statutory Rape" as defined by the Clery Act.

Confidential Employees: Institution employees who have been designated by the institution to talk with a Complainant or Respondent in confidence. Confidential Employees include those providing counseling, advocacy, health, mental health, or sexual assault related services (e.g., sexual assault resource centers, campus health centers, pastoral counselors, and campus mental health centers) or as otherwise provided by applicable law. Confidential Employees must only report that the incident occurred and provide date, time, location, and name of the Respondent (if known) without revealing any information that would personally identify the alleged victim. This minimal reporting must be submitted in compliance with Title IX and the Clery Act. Confidential Employees may be required to fully disclose details of an incident in order to ensure campus safety

Reasonable Person: An individual who is objectively reasonable under similar circumstances and with similar identities to the person being evaluated by the institution.

Reporter: An individual who reports an allegation of conduct that may violate this Policy but who is not a party to the complaint.

Responsible Employees include any administrator, supervisor, faculty member, or other person in a position of authority who is not a Confidential Employee or Privileged Employee. Student employees who serve in a supervisory, advisory, or managerial role are in a position of authority for purposes of this Policy (e.g., teaching assistants, residential assistants, student managers, orientation leaders).

Sexual Assault: Sexual Assault is an offense classified as a forcible or non-forcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation, which, for the purposes of this Policy, only includes:

- Rape—sexual intercourse against a person's will

- Sexual contact with minors, whether consensual or not
- Incest (Sexual intercourse or sexual intrusion between family members.)
- Any unwanted or coerced sexual contact

Sexual Exploitation: Taking non-consensual or abusive sexual advantage of another for one’s own advantage or benefit, or for the benefit or advantage of anyone other than the one being exploited.

Examples of sexual exploitation may include, but are not limited to, the following:

1. Invasion of sexual privacy;
2. Prostituting another individual;

6. undressed, naked, or engaged in sexual acts;
7. Knowingly transmitting an STD or HIV to another individual through sexual
8. activity;
9. Intentionally and inappropriately exposing one’s breasts, buttocks, groin, or genitals in non-consensual circumstances; and/or
10. Sexually based bullying.

Sexual Harassment (Student on Student): Unwelcome verbal, nonverbal, or physical conduct based on sex as well as on the basis of gender identity, determined by a Reasonable Person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to participate in or to benefit from an institutional education program or activity in violation of Title IX.

Sexual Harassment (Other than Student on Student): Unwelcome verbal, nonverbal, or physical conduct, based on sex including gender identity, that may be any of the following:

1. Implicitly or explicitly a term or condition of employment or status in a course, program, or activity.
2. A basis for employment or educational decisions; or
3. Is sufficiently severe, persistent, or pervasive to interfere with one’s work or educational performance creating an intimidating, hostile, or offensive work or learning environment, or interfering with or limiting one’s ability to participate in or to benefit from an institutional program or activity.

Sexual Harassment also includes an incident of sexual violence that does not qualify as Sexual Assault, gender-based violence, and/or violence based on sexual orientation or gender identity or expression. These forms of Sexual Harassment need not be on the basis of sex.

Sexual harassment comes in many forms and can be committed:

- By or against anyone, regardless of gender, age, position, or authority.
- By a stranger, an acquaintance, or someone with whom the Complainant has an intimate or sexual relationship.
- By or against an individual or may be a result of the actions of a group of individuals.

-
- By or against an individual of any sex, gender identity, gender expression, or sexual orientation.
 - In the presence of others, or when the parties are alone.

Miles College also prohibits unwelcome conduct determined by a Reasonable Person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to a Miles College education program or activity in violation of Title IX.

Sexual Misconduct: Includes, but is not limited to, such unwanted behavior as dating violence, domestic violence, nonconsensual sexual contact, nonconsensual sexual penetration, sexual exploitation, sexual harassment, and stalking.

Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress.

For the purposes of this definition:

1. Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with person's property.
2. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Types of Claims

1. Quid Pro Quo: This the demand for sexual favors in exchange for some job or academic benefit (something for something)
2. Hostile Environment: This is sexually harassing conduct that unreasonably interferes with an individual's work or creates a hostile, intimidating, or offensive work or learning environment. The "hostile" work or learning environment forms of sexual and unlawful harassment may include offensive language, jokes, emails, gestures, comments, graphics, calendars, or graffiti. A hostile environment is created when sexual harassment is severe, or persistent or pervasive, and objectively interferes with, denies or limits someone's ability to participate in or benefit from Miles College's educational, employment, social or residential program.

Miles College reserves the right to address offensive conduct and/or harassment that 1) does not rise to the level of creating a hostile environment, or 2) that is of a generic nature not on the basis of a protected status. Addressing such behavior may not result in the imposition of discipline under the College's policy but will be addressed through respectful confrontation, remedial actions, education and/or effective conflict resolution mechanisms. For assistance with conflict resolution techniques, employees should contact Human Resources and students should contact the Dean of Students or the Title IX Coordinator.

Reporting Sexual Misconduct

Initial Evaluation of Sexual Misconduct Reports: Upon notice of the alleged Sexual Misconduct, the institution's Title IX Coordinator will assess whether a formal investigation, informal resolution, or dismissal would be appropriate. In making this determination, the Title IX Coordinator will assess whether the allegation(s), if true, would rise to the level of prohibited conduct, whether a Formal Complaint must be filed, whether an investigation is appropriate in light of the circumstances, whether the parties prefer an informal resolution, and whether any safety

concerns exist for the campus community. The need to issue a broader warning to the community in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”) shall be assessed in compliance with federal law.

Interim Measures:

Interim measures may be implemented at any point after the institution becomes aware of an allegation of Sexual Misconduct and should be designed to protect any student or other individual in the Miles College community. Such measures are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient’s educational environment, or deter Sexual Misconduct and retaliation. Interim measures must be implemented consistent with the provisions in applicable Board and institutional policies and procedures.

An interim suspension should only occur where necessary to promote safety and should be limited to those situations where the Respondent poses a serious and immediate danger or threat to persons or property. In making such an assessment, the institution should consider the existence of a significant risk to the health or safety of the Complainant or the campus community; the nature, duration, and severity of the risk; the probability of potential injury; and whether less restrictive means can be used to significantly mitigate the risk.

Before an interim suspension is issued, the institution must make reasonable efforts to give the Respondent the opportunity to be heard on whether the Respondent’s presence on campus poses a danger. If an interim suspension is issued, the terms of the interim suspension take effect immediately. The Respondent shall receive notice of the interim suspension and the opportunity to respond to the interim suspension.

Within three business days of receiving a challenge the institution will determine whether the interim suspension should continue.

Miles College encourages the reporting of all Sexual Misconduct as soon as possible. While there is no statute of limitations on the college’s ability to respond to a report, the ability to respond diminishes with time, as information and evidence may be more difficult to secure.

Institutional Reports

An institutional report occurs when the institution has notice of a complaint. That notice occurs in two instances:

1. When a Responsible Employee receives a complaint; or
2. When the Title IX Coordinator or their designee receives a complaint.

Any individual may make a report, but the institution does not have notice of the report until information is known to a Responsible Employee or the Title IX Coordinator. The report may be made directly to the Title IX Coordinator in multiple formats to include writing, email, phone, letter, fax, interview, or other method that provides the basis of the complaint of sexual misconduct. There is no specific information required to constitute a report; however, the report should contain as much information as can be provided. To submit an incident report, options for resolution, support services and more:

Complainants, or anyone with knowledge of Sexual Misconduct, may file a report with a Responsible Employee or the Title IX Coordinator. That Responsible Employee must provide a complete reporting of all information known to them to the Title IX Coordinator. Responsible Employees informed about Sexual Misconduct allegations should not attempt to resolve the situation but must notify and report all relevant information to the Title IX Coordinator as soon as practicable.

Upon receipt of an institutional report, the Coordinator will contact the Complainant. The Title IX Coordinator will discuss the availability of supportive measures, the invitation to the Complainant to discuss their wishes with respect to implementation of supportive measures and explain the process of filing a complaint. An institutional report does not automatically prompt an investigation.

The Title IX Coordinator's identity and contact information shall be published prominently on the institution's website, as well as in any relevant publication. Miles College may choose to have Deputy Title IX Coordinators to whom reports may be made, as well.

The Title IX Coordinator shall notify the Appropriate Cabinet member of any allegation(s) of Sexual Misconduct that could, standing alone as reported, lead to the suspension or expulsion of the Respondent(s). The Appropriate Cabinet member will work with the institution to determine whether any support services or interim measure(s) are necessary and to assign an investigator who will work under the direction of the Appropriate Cabinet member or designee. If an allegation is not initially identified as one that would lead to the suspension or expulsion of the Respondent(s), but facts arise during the course of the investigation that could lead to the Respondent's suspension or expulsion, the Title IX Coordinator shall notify the Appropriate Cabinet member or designee. The Appropriate Cabinet member shall have the discretion to oversee the handling of the complaint.

Confidential Reports

Confidential Employees or Privileged Employees may receive reports of Sexual-based Misconduct without the requirement to report that information to the Title IX Coordinator, except as dictated by law or professional standards. Upon request by the Complainant, Confidential Employees and Privileged Employees may make a report to the Title IX Coordinator within the degree of specificity dictated by the Complainant. Nothing in this provision shall prevent an institution staff member who is otherwise obligated by law (i.e., the Clery Act) to report information or statistical data as required.

Law Enforcement Reports

Because Sexual Misconduct may constitute criminal activity, a Complainant also has the option, should the Complainant so choose, of filing a report with campus or local police, for the Complainant's own protection and that of the surrounding community. The institution may assist the Complainant in reporting the situation to law enforcement officials. Filing a criminal report does not automatically constitute an institutional report.

Emergency Assistance 911

Miles College Police Department Reporting (205) 929-1720

Fairfield Police Department (205) 786-4111

Anonymous Reports

Miles College provides a mechanism by which individuals can report incidents of alleged Sexual Misconduct anonymously. Individuals should understand, however, that it will be more difficult for the institution to respond and to take action upon anonymous reports.

Complaint Consolidation

Miles College may consolidate complaints as to allegations of Sexual Misconduct against more than one Respondent, by more than one Complainant against one or more Respondents, or cross-complaints between parties, where the allegations of sexual misconduct arise out of the same facts or circumstances.

Parties shall have the opportunity to request or object to the consolidation; however, the institution shall have the Miles College authority to make the final determination. For the purpose of this Policy, consolidation may occur during the investigation and/or the adjudication phases of the sexual misconduct process.

Complaint Dismissal

Miles College is permitted, but not required, to dismiss complaints on the following grounds:

1. The alleged conduct, even if proved, would not constitute sexual misconduct.
2. The Complainant notifies the Title IX Coordinator in writing that they would like to withdraw the complaint:
3. The Respondent is no longer enrolled or employed by the institution; or
4. There are circumstances that prevent the institution from gathering evidence sufficient to reach a determination regarding the complaint.

The parties shall receive simultaneous written notice of the dismissal and the reason(s) for the dismissal. The parties shall have a right to appeal the institution's decision to dismiss the complaint.

Retaliation

Anyone who has made a report or complaint, provided information, assisted, participated or refused to participate in any manner in the Sexual Misconduct Process, shall not be subjected to retaliation. Anyone who believes that they have been subjected to retaliation should immediately contact the Title IX Coordinator or their designee. Any person found to have engaged in retaliation in violation of this Policy shall be subject to disciplinary action.

False Complaints

Individuals are prohibited from knowingly making false statements or knowingly submitting false information to a system or institution official. Any person found to have knowingly submitted false complaints, accusations, or statements, including during a hearing, in violation of this Policy shall be subject to appropriate disciplinary action (up to and including suspension or expulsion) and adjudicated under the appropriate institutional process.

Amnesty

Individuals should be encouraged to come forward and to report Sexual Misconduct notwithstanding their choice to consume alcohol or to use drugs. Information reported by a student during an investigation concerning the consumption of drugs or alcohol will not be used against the particular student in a disciplinary proceeding or voluntarily reported to law enforcement; however, students may be provided with resources on drug and alcohol counseling and/or education, as appropriate. Nevertheless, these students may be required to meet with staff members in regard to the incident and may be required to participate in appropriate educational program(s). The required participation in an educational program under this amnesty procedure will not be considered a sanction. Nothing in this amnesty provision shall prevent an institution staff member who is otherwise obligated by law (the Clery Act) to report information or statistical data as required.

Responding to Reports of Misconduct

Support Services

Once the Title IX Coordinator has received information regarding an allegation of Sexual Misconduct, the parties will be provided written information about support services. Support services are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without charge that are made available to the Complainant and Respondent before or after the filing of a complaint or where no complaint has been filed. Support services include counseling, advocacy, housing assistance, academic support, disability services, health and mental services, and other services, available at the student's institution.

Interim Measures

Interim measures may be implemented at any point after Miles College becomes aware of an allegation of sexual misconduct and should be designed to protect any student or other individual in the Miles College community. Such measures are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the campus community, or deter Sexual Misconduct and retaliation. Interim measures will be provided consistent with the provisions in applicable Board of Trustees and institutional policies and procedures.

Emergency Removal

Emergency removal will only occur where necessary to maintain safety and should be limited to those situations where the Respondent poses a serious and immediate danger or threat to persons or property. In making such an assessment, the institution should consider the existence of a significant risk to the health or safety of the Complainant or the campus community; the nature, duration, and severity of the risk; the probability of potential injury; and whether less restrictive means can be used to significantly mitigate the risk.

Jurisdiction

Miles College will take necessary and appropriate action to protect the safety and well-being of its community. Sexual misconduct allegedly committed is addressed by this Policy when the misconduct occurs on institution property, or at institution-sponsored or affiliated events, or off-campus, as defined by the student conduct policy.

Advisors

Both the Complainant and the Respondent, as parties to the matter, shall have the opportunity to use an advisor (who may or may not be an attorney) of the party's choosing at the party's own expense. The advisor may accompany the party to all meetings and may provide advice and counsel to their respective party throughout the Sexual Misconduct process, including providing questions, suggestions and guidance to the party, but may not actively participate in the process. All communication during the Sexual Misconduct process will be between the institution and the party, and not the advisor. With the party's permission, the advisor may be copied on all communications.

Informal Resolutions

Allegations of Sexual Misconduct may be resolved informally. The Complainant, the Respondent, and the institution must agree to engage in the informal resolution process and to the terms of the informal resolution. The Complainant(s) and the Respondent(s) have the option to end informal resolution discussions and request a formal process at any time before the terms of an informal resolution are reached. However, matters resolved informally shall not be appealable.

Timeframe

Efforts will be made to complete the investigation and resolution within 120 business days. Temporary delays and limited extensions may be granted by Miles College for good cause throughout the investigation and resolution process. The parties will be informed in writing of any extension or delay and the applicable reason. The institution shall keep the parties informed of the status of the investigation.

Responding to Reports of Sexual Harassment Pursuant to Title IX

The implementing Title IX regulations require special handling of complaints of sexual harassment, as defined in the regulations and listed below. The following section outlines the required specialized handling of these matters that may differ from an institution's handling of Sexual Misconduct, as defined in this Policy. Unless expressly mentioned in this section, other provisions of this Policy shall apply to all alleged Sexual Misconduct. Other Title IX sex-discrimination allegations are handled pursuant to other applicable institutional policies.

Definition of Sexual Harassment

Under Title IX sexual harassment, means conduct on the basis of sex that satisfies one or more of the following:

1. An employee conditioning the provision of an aid, benefit, or service of the institution on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the institution's education program or activity; or
3. "Sexual assault" as defined by the Clery Act and "dating violence," "domestic violence," and "stalking" as defined by the VAWA Amendments.

Jurisdiction

Alleged misconduct is addressed by Title IX when the misconduct occurs against a person in the United States on institution property, or at institution-sponsored or affiliated events where the institution exercises substantial control over both the Respondent and the context, or in buildings owned or controlled by a student organization that is officially recognized by the institution.

Formal Complaints

A Formal Complaint is a written document filed by the Complainant or signed by the Title IX Coordinator alleging sexual harassment, as defined by Title IX and its implementing regulations, against a Respondent and requesting that the institution open an investigation. In order to file a Formal Complaint, the Complainant must be participating in or attempting to participate in the education program or activity of the institution occurring within the United States at the time of the filing.

Informal Resolution

Formal Complaints may be resolved informally, except in the instance of an allegation by a student against an institution employee. The following must be met in order to proceed with the informal resolution process:

1. The parties have received written notice of the allegations.
2. The parties have received written explanation of the informal process to include, but not limited to:
 - a. Written agreement of the parties to initiate the informal resolution process;
 - b. Written notice that the parties may withdraw from the process at any time prior to the agreement of the terms of the resolution;
 - c. Written notice that the final resolution precludes any further institutional actions on the allegations.
3. The institution has agreed to engage in the informal resolution process.

Advisors

Both the Complainant and the Respondent, as parties to the matter, shall have the opportunity to use an advisor (who may or may not be an attorney) of the party's choosing. The advisor may accompany the party to all meetings and may provide advice and counsel to their respective party throughout the Sexual Misconduct process but may not actively participate in the process except to conduct cross-examination at the hearing. If a party chooses not to use an advisor during the investigation, the institution will provide an advisor for the purpose of conducting cross-examination on behalf of the relevant party.

All communication during the Sexual Misconduct process will be between the institution and the party, and not the advisor. The institution will copy the party's advisor prior to the finalization of the investigation report when the institution provides the parties the right to inspect and review directly related information gathered during the investigation. With the party's permission, the advisor may be copied on all communications.

Process for Investigation and Resolving Sexual Misconduct Reports

Investigation

Throughout any investigation and resolution proceeding, a party shall receive written notice of the alleged Sexual Misconduct, shall be provided an opportunity to respond, and shall be allowed the right to remain silent or otherwise not participate in or during the investigation and resolution process without an adverse inference resulting. If a party chooses to remain silent or otherwise not participate in the investigation or resolution process, the investigation and resolution process may still proceed, and policy violations may result.

Until a final determination of responsibility, the Respondent is presumed to have not violated the Sexual Misconduct Policy. Prior to the finalization of the investigation report, timely and equal access to information directly related to

the allegations that has been gathered during the investigation and may be used at the hearing will be provided to the Complainant, the Respondent, and a party's advisor (where applicable).

Formal judicial rules of evidence do not apply to the investigation process. Additionally, the standard of review throughout the Sexual Misconduct process is a preponderance of the evidence.

1. The parties shall be provided with written notice of the: report/allegations with sufficient details, pending investigation, possible charges, possible sanctions, available support services and interim measures, and other rights under applicable institutional policies. For the purposes of this provision, sufficient details include the identities of the parties involved, if known, the conduct allegedly constituting Sexual Misconduct, and the date and location of the alleged incident, if known. This information will be supplemented as necessary with relevant evidence collected during the investigation. The notice should also include the identity of any investigator(s) involved. Notice should be provided via institution email to the party's institution email.
2. Upon receipt of the written notice, the parties shall have at least three business days to respond in writing. In that response, the Respondent shall have the right to admit or deny the allegations, and to set forth a defense with facts, witnesses, and supporting materials. A Complainant shall have the right to respond to and supplement the notice. Throughout the Sexual Misconduct process, the Complainant and the Respondent shall have the right to present witnesses and other inculpatory and exculpatory evidence.
3. If the Respondent admits responsibility, the process may proceed to the sanctioning phase or may be informally resolved, if appropriate.
4. An investigator shall conduct a thorough investigation and should retain written notes and/or obtain written or recorded statements from each interview. The investigator shall also keep a record of any party's proffered witnesses not interviewed, along with a brief, written explanation of why the witnesses were not interviewed.
5. An investigator shall not access, consider, disclose, or otherwise use a party's records made or maintained by a physician, psychiatrist, psychologist, or other recognized professional made in connection with the party's treatment unless the party has provided voluntary written consent. This also applies to information protected by recognized legal privilege.
6. The initial investigation report shall be provided to the Complainant, the Respondent, and a party's advisor (if applicable). This report should fairly summarize the relevant evidence gathered during the investigation and clearly indicate any resulting charges or alternatively, a determination of no charges. For purposes of this Policy, a charge is not a finding of responsibility.
7. The Complainant and the Respondent shall have at least 10 calendar days to review and respond in writing to the initial investigation report and directly related information gathered during the investigation. The investigator will review the Complainant's and the Respondent's written responses, if any, to determine whether further investigation or changes to the investigation report are necessary.
8. The final investigation report should be provided to the Complainant, the Respondent, and a party's advisor, if applicable, at least 10 calendars days prior to the Hearing. The final investigation report should also be provided to all Hearing Panel members for consideration during the adjudication process.

A. Access to Advisors: Both the Complainant and the Respondent, as parties to the matter, shall have the opportunity to use an advisor (who may or may not be an attorney) of the party's choosing. The advisor may accompany the party to all meetings and may provide advice and counsel to their respective party throughout the sexual misconduct process, including providing questions, suggestions and guidance to the party, but may not actively participate in the process except to conduct cross-examination at the hearing as outlined in the

Resolution/Hearing section below. If a party chooses not to use an advisor during the investigation, Miles College will provide an advisor for the purpose of conducting cross-examination on behalf of the relevant party.

All communication during the sexual misconduct process will be between the institution and the party, and not the advisor. The institution will copy the party's advisor prior to the finalization of the investigation report when the institution provides the parties the right to inspect and review directly related information gathered during the investigation. With the party's permission, the advisor may be copied on all communications.

B. Investigation: Throughout any investigation and resolution proceeding, a party shall receive written notice of the allegations made against them and shall be provided the opportunity to respond. All employees, both parties and non-parties, are required to cooperate to the fullest extent possible in any internal investigation conducted by Miles College, when directed to do so by the persons who have been given investigative Miles College authority.

Until a final determination of responsibility, the Respondent is presumed to have not violated any applicable policies associated with the allegations. Prior to finalizing the investigation report, timely and equal access to information directly related to the allegations that has been gathered during the investigation and may be used at the hearing will be provided to the Complainant, the Respondent, and a party's advisor (where applicable). Formal judicial rules of evidence do not apply to the investigation process; additionally, the standard of review throughout the investigation and resolution processes is a preponderance of the evidence.

Additionally, the investigation procedures will provide the following:

1. The parties shall be provided with written notice of the: report/allegations with sufficient details, pending investigation, possible charges, possible sanctions, available support services and interim measures, and other rights under applicable institutional policies. For the purposes of this provision, sufficient details include the identities of the parties involved, if known, the conduct allegedly constituting sexual misconduct, and the date and location of the alleged incident, if known. This information will be supplemented as dictated by evidence collected during the investigation. The notice should also include the identity of any investigator(s) involved. Notice should be provided via institution email to the party's email.
2. Upon receipt of the written notice, the parties shall have at least three business days to respond in writing. In that response, the Respondent shall have the right to admit or deny the allegations, and to set forth a defense with facts, witnesses, and supporting materials. A Complainant shall have the right to respond to and supplement the notice. Throughout the investigation and resolution process, the Complainant and the Respondent shall have the right to present witnesses and other inculpatory and exculpatory evidence.
3. If the Respondent admits responsibility, the process may proceed to the sanctioning phase or may be informally resolved, if appropriate.
4. An investigator shall conduct a thorough investigation and should retain written notes and/or obtain written or recorded statements from each interview. The investigator shall also keep a record of any party's proffered witnesses not interviewed, along with a brief, written explanation of why the witnesses were not interviewed.
5. An investigator shall not access, consider, disclose, or otherwise use a party's records made or maintained by a physician, psychiatrist, psychologist, or other recognized professional made in connection with the party's treatment unless the party has provided voluntary written consent. This also applies to information protected by recognized legal privilege.

Hearings, Possible Sanctions and Appeals-Employees

Title IX Hearings: The investigator may testify as a witness regarding the investigation and findings but shall otherwise have no part in the hearing process and shall not attempt to otherwise influence the proceedings outside of providing testimony during the hearing. All directly related evidence shall be available at the hearing for the parties and their advisors to reference during the hearing. Relevant facts or evidence that were not known or knowable to the parties prior to the issuance of the final investigative report shall be admissible during the hearing. The institution will determine how the facts or evidence will be introduced. The admissibility of any facts or evidence known or knowable by the parties prior to the issuance of the final investigative report, and which were not submitted during the investigation, shall be determined by the institution in compliance with the obligation to provide both parties an equal opportunity to present and respond to witnesses and other evidence.

Notice of the date, time, and location of the hearing as well as the designated Hearing Officer shall be provided via email at least 10 calendar days prior to the hearing. Parties may attend the hearing with their advisor. Hearings shall be conducted in-person or via video conferencing technology. At all times participants in the hearing process, including parties, a party's advisor, and institution officials, are expected to act in a manner that promotes dignity and decorum throughout the hearing. Participants are expected to be temperate, respectful to others, and follow procedural formalities outlined by this Policy and the institution. Institutions may establish their own rules of decorum and expectations of behavior during the hearing process. The institution reserves the right to remove any participant from the hearing environment.

Each institution shall maintain documentation of the investigation and resolution process, which may include written findings of fact, transcripts, audio recordings, and/or video recordings. Any documentation shall be maintained for seven years.

Additionally, the following standards will apply:

1. Where a party or a witness is unavailable, unable, or otherwise unwilling to participate in the hearing, including being subject to cross-examination, the Hearing Officer shall not rely on statements of that party or witness in reaching its determination regarding responsibility. The Hearing Officer shall not draw an adverse inference against the party or witness based solely on their absence from the hearing or refusal to subject to cross-examination.
2. The parties shall have the right to present witnesses and evidence at the hearing.
3. The parties shall have the right to confront any witness, including the other party, by having their advisor ask relevant questions directly to the witness. The Hearing Officer shall limit questions raised by the advisor when they are irrelevant to determining the veracity of the allegations against the Respondent(s). In any such event, the Hearing Officer shall err on the side of permitting all the raised questions and must document the reason for not permitting any particular questions to be raised.
4. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior shall be deemed irrelevant, unless such questions and evidence are offered to prove that someone other than the Respondent committed the alleged conduct or consent between the parties during the alleged incident.
5. Decision maker(s) shall not access, consider, disclose, or otherwise use a party's records made or maintained by a physician, psychiatrist, psychologist, or other recognized professional made in connection with the party's treatment unless the party has provided voluntary written consent. This also applies to information protected by recognized legal privilege.
6. Formal civil rules of evidence do not apply to the resolution process and the standard of evidence shall be a preponderance of the evidence.

-
7. Following a hearing, the parties shall be simultaneously provided a written decision via email of the hearing outcome and any resulting disciplinary or administrative actions. The decision must include the allegations, procedural steps taken through the investigation and resolution process, findings of facts supporting the determination(s), determination(s) regarding responsibility, and the rationale for any disciplinary or other administrative action.

Title IX Disciplinary Action-Employees: In determining the severity of sanctions or corrective actions the following should be considered: the frequency, severity, and/or nature of the offense; history of past conduct; an offender's willingness to accept responsibility; previous institutional response to similar conduct; strength of the evidence; and the wellbeing of the university community. The institution will determine disciplinary action and issue notice of the same, as outlined above.

Title IX Appeals-Employees: The Complainant and the Respondent shall have the right to appeal the outcome on any of the following grounds: (1) to consider new information, sufficient to alter the decision, or other relevant facts not brought out in the original investigation (or hearing), because such information was not known or knowable to the person appealing during the time of the investigation (or hearing); (2) to allege a procedural error within the investigation or hearing process that may have substantially impacted the fairness of the process, including but not limited to whether any hearing questions were improperly excluded or whether the decision was tainted by a conflict of interest or bias by the Title IX Coordinator, investigator(s), or administrative decision maker(s), or (3) to allege that the finding was inconsistent with the weight of the information.

The appeal must be made in writing, must set forth one or more of the bases outlined above, and must be submitted within five business days of the date of the final written decision. The appeal should be made to the President of the institution solely on the three grounds set forth. The appeal shall be a review of the record only, and no new meeting with Respondent or the Complainant is required.

The President may affirm the original finding and sanction, affirm the original finding but issue anew sanction of greater or lesser severity, remand the case back to the decision maker to correct a procedural or factual defect, or reverse or dismiss the case if there was a procedural or factual defect that cannot be remedied by remand. The President's decision shall be simultaneously issued in writing to the Complainant, the Respondent within a reasonable time period. The President's decision shall be the final decision of the institution.
