

**Miles College Coronavirus Response and Relief Supplemental
Appropriations Act (CRRSAA/HEERF II)
STUDENT AID REPORT
for
Quarter Ending September 30, 2021**

On January 17, 2021, Miles College received notification from the Department of Education of funding for "Supplemental Grant Funds for Students" under Section 314(a)(a) of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 ("CRRSAA"). These funds, also, are referred to as *HEERF II* (Higher Education Emergency Relief Funds) funds.

According to the legislative appropriation (Section 18004(a)(1) of the Coronavirus Aid, Relief, and Economic Security Act ("CARES" also referred to as *HEERF I*) that the College received in the Spring 2020, this second allocation of funds **must** be used to provide Emergency Financial Aid Grants to Students.

Miles College received \$ 1,628,967 under the CRRSAA/HEERF II Program from a Grant Award Notification for Emergency Financial Aid Grants to Students. The total cumulative amount allocated under CARES/HEERF I and CRRSAA/HEERF II for "Emergency Financial Aid Grants to Students" is \$3,257,934.

Students received a reminder from the President's desk on September 24, 2021. The communication advised students who completed the *Emergency Financial Aid Application* at the beginning of the semester and checked the appropriate box that a portion of their aid could be applied to their student account. (This and other communications are posted on the website). It also advised students that the College was providing them with a second opportunity to request "account balance payment assistance" and referred them to the Office of Financial Aid. In compliance with subsequent requirements (under HEERF III), this correspondence also advised students that if their circumstances had changed, they could consult with Financial Aid for a recalculation of the "expected family contribution."

The estimated total number of students at the institution who were eligible to receive Emergency Financial Aid Grants to Students under the CRRSAA (a) (1) program is 1501. (Most of these students received direct emergency grants as described in the HEERF III Student Aid report and posted on the College's website.)

The total number of students who received an Emergency Financial Aid Grant under the CRRSAA was 430 for a total of \$929,170. This "emergency aid grant" enabled the College to relieve students of some of their ongoing challenges by addressing their student account balances.

**Miles College American Rescue Plan (ARP/HEERF III)
STUDENT AID REPORT
for
Quarter Ending September 30, 2021**

On May 20, 2021, Miles College received notification from the Department of Education of funding for "Supplemental Grant Funds for Students" under Section 203 of the American Rescue Plan (ARP) which mirrored the HEERF II awards to students. (This award, also, is referred to as *HEERF III* (Higher Education Emergency Relief Funds)).

According to the authorization for this third funding stream (P.L. 117-2) of the American Rescue Plan, the College received additional funds that **must** be used to provide "Emergency Financial Aid Grants to Students;" the exception being that all currently enrolled students are eligible to receive assistance.

Miles College received \$4,678,050 under the ARP/HEERF III Program from a Grant Award Notification for Emergency Financial Aid Grants to Students. The total cumulative amount allocated under CARES/HEERF I, CRRSAA/HEERF II, and the ARP/HEERF III for "Emergency Financial Aid Grants to Students" is \$7,935,984

Students received guidance from the President's desk on September 24, 2021 advising that all currently enrolled students would receive emergency aid for \$750 and that students with "exceptional need" (or Pell-eligible) would receive an additional \$500. These funds were distributed directly to students. Also, this communication advised students that the College would continue to receive emergency financial aid applications online as long as funds were available. (A copy of this correspondence and a FAQ guide for students about ARP funding is posted on the College's website). As required under the HEERF III guidelines, this correspondence advised students that if their circumstances had changed, they could consult with Financial Aid for a re-calculation of the "expected family contribution."

The total number of currently enrolled students who are eligible to receive Emergency Financial Aid Grants to Students under the ARP/HEERF III program is 1501; 100% of whom received a direct emergency grant. The total amount of funds distributed for direct grants to students during this reporting period is \$1,657,500.

Form Instructions

Completing the Form: On each form, fill out the institution of higher education (IHE or institution) name, the date of the report, the appropriate quarter the report covers (September 30, December 31, March 31, June 30), the 11-digit PR/Award Number (number is found in Box 2 of your Grant Award Notification (GAN)) for each HEERF grant funding stream as applicable, the total amount of funds awarded by the Department (including reserve funds if awarded), and check the box if the report is a “final report.” Institutions that expended HEERF grant funds during the calendar quarter from January 1 – March 30, 2021 are required to post the quarterly report that involved the expenditure of HEERF II CRRSAA and HEERF I CARES Act funds. The Department did not previously affirmatively indicate this reporting requirement was in place for HEERF II CRRSAA funds. As such, institutions may have until the end of the second calendar quarter, June 30, 2021, to post these retroactive reports if they have not already done so. For the July 10, 2021 quarterly reporting deadline, institutions are encouraged, but not required to, submit the quarterly reports (this institutional reporting form and the student quarterly report) to the Department by emailing those reports as PDF attachments to HEERFreporting@ed.gov.

In the chart, an institution must specify the amount of expended HEERF I, II, and III funds for each funding category: (a)(1) Institutional Portion; (a)(2), and (a)(3), if applicable. (a)(2) funds include Assistance Listing Numbers (ALNs) 84.425J (Historically Black Colleges and Universities (HBCUs)), 84.425K (Tribally Controlled Colleges and Universities (TCCUs)), 84.425L (Minority Serving Institutions (MSIs)), 84.425M (Strengthening Institutions Program (SIP)); (a)(3) funds are for ALN 84.425N (Fund for the Improvement of Postsecondary Education (FIPSE) Formula Grant) and 84.425S (SAIHE). Each category is deliberately broad and may not capture specific grant program requirements. Explanatory footnotes help clarify certain reporting categories. While some items in the chart are blocked out, please note that the blocking of such items is consistent with Department guidance and FAQs and is not definitive. Provide brief explanatory notes for how funds were expended, including the title and brief description of each project or activity in which funds were expended. Do not include personally identifiable information (PII). Calculate the amount of the (a)(1) Institutional Portion, (a)(2) and (a)(3) funds in the “Quarterly Expenditures for each Program” row, and the grand total of all three in the “Total of Quarterly Expenditures” row. Round expenditures to the nearest dollar.

Posting the Form: This form must be conspicuously posted on the institution’s primary website on the same page the reports of the IHE’s activities as to the emergency financial aid grants to students made with funds from the IHE’s allocation under (a)(1) of the CARES Act, CRRSAA, and ARP (Student Aid Portion) are posted. It may be posted in an HTML webpage format or as a link to a PDF. A new separate form must be posted covering each quarterly reporting period (September 30, December 31, March 31, June 30), concluding after either (1) posting the quarterly report ending September 30, 2023 or (2) when an institution has expended and liquidated all (a)(1) Institutional Portion, (a)(2), and (a)(3) funds and checks the “final report” box. IHEs must post this quarterly report form no later than 10 days after the end of each calendar quarter (October 10, January 10, April 10, July 10). Each quarterly report must be separately maintained on an IHE’s website or in a PDF document linked directly from the IHE’s HEERF reporting webpage. Reports must be maintained for at least three years after the submission of the final report per 2 CFR § 200.333. Any changes or updates after initial posting must be conspicuously noted after initial posting and the date of the change must be noted in the “Date of Report” line.
