

BOARD ORIENTATION AND BOARD DEVELOPMENT POLICY

Policy

New Board members will be oriented at the beginning of their terms and the entire Board will participate in board development education, board expectations and financial expectations at least annually.

Procedure

- The Board Chair, and or designee plans and conducts orientation for new board members prior to their first meeting with the Board and provides them with relevant information and documents.
- The Board Development Committee plans and implements a Board of Trustees educational session, based on results of the annual Board Self Evaluation survey or other current needs.
- The Board educational session is generally conducted prior to the Fall Board of Trustees meeting, but may be conducted at another time if need and/or
