Policy on Fraternity and Sorority Affairs (Greek Life)

Policy Statement

As an academic institution, Miles College engages students in pre-professional, academic, and social learning experiences. It stimulates the student's awareness and appreciation of accepted societal expectations.

The purpose of Fraternity and Sorority Affairs also known as Greek Life is to encourage and provide opportunities for students to develop interpersonal, social, and leadership skills and encourage them to engage in campus and community service.

Policy Background

The Goal of Greek Life at Miles College

The goal of Greek Life at Miles College is to foster opportunities for students in the following areas:

Campus and Community Service

Members of fraternal organizations are required to perform service to the campus and the surrounding community.

Campus Engagement and Pride

Students in fraternal organizations are the ones first called to represent the institution and should exhibit knowledge and pride in the academy.

Scholarship

Membership in fraternal organizations requires high scholastic achievement.

Leadership

Students in fraternal organizations are required to develop leadership skills through participation in their organization and campus programs and workshops.

Friendship and Networking

Students who are members of fraternities and sororities establish friendship bonds that last a lifetime. They also learn how to interact with people from diverse backgrounds in many different settings (business and social.)

Greek Life at Miles College aids the Office of Student Affairs in fostering culture, class and civility at the academy. Membership in campus fraternal organizations helps students develop interpersonal, social, communication and leadership skills.

The College requires that all students participating in organizations be enrolled in the College and possess a cumulative grade-point average (GPA) of 2.0 (C) for Non-Pan Hellenic Council fraternities and sororities, and 2.5 (C+) for NPHC Greek lettered Organizations.

All fraternities and sororities must be registered in the Office of the Dean of Student Affairs.

Miles College Policy on Fraternal Organization Advisors

At Miles College all social and service fraternal organizations are required to have persons that counsel, guide and advise them.

These advisors serve to aid the organizations in sponsoring wholesome and engaging activities for the College. Campus advisors/sponsors must be fully aware of College's expectations and policies.

The advisor must:

- Be knowledgeable of the organization's constitution, bylaws, policies and procedures.
- Be aware of the expectations of the national body (if applicable) and the College.

The Greek Affairs Committee serves in an advisory capacity to the fraternities and sororities on campus and provides insight and assistance in the development of policy as it relates to matters of Greek Life on campus.

Miles College Guidelines for Greek Weeks

The time allotted for Greek Weeks will be determined by the Dean of Student Affairs. Greek Weeks can include (but not limited to) activities such as educational programs, talent shows, community service projects, campus clean up projects, church attendance, and pageants. All Greek Week activities must be approved by the Dean of Student Affairs. Greek Week activities should positively display the organization and engage the entire Miles College community. Greek Weeks are excellent recruitment tools that allow

the campus community the opportunity to get to know the members of the fraternity and sorority.

Although Greek weeks are allocated for a specific time, they do not, however, supercede Miles College activities, or another organization's activities. Other events and activities are allowed and will take place regardless of the assigned organizational week. No Greek Letter Organizations may infringe upon another organization's week by holding a separate event on campus without written approval from the organization that is hosting a week. If another organization is hosting an event off campus during an assigned week, they may not advertise their event on campus property.

An organization can advertise their events during their week only.

No Greek Weeks are scheduled during the week of Midterms, Finals, Spring Break, Religious Emphasis Week, Spring Arts Festival, or the SGA / Miss Miles College Elections. College sponsored events in campus facilities supercede Greek Organizational activities. Organizations cannot begin an activity before 7:00 a.m. or host an activity (on campus) after 11:00 p.m. Organizations may not host social events during class time or during chapel.

All member organizations are responsible for removing all decorations, flyers, and or garbage from their week. All advertisement must be removed by 11:59 p.m. on the last day of their week. Failure to clean up after every event or to remove advertisement by the end of the week will result in a clean up charge of no less than \$100.00.

An infraction of the Greek Week Policy is subject to a fine or suspension to be determined by the Dean of Student Affairs.

Miles College Policy on Greek "Stepshows", "Yardshows", "Strolling" and New Member Presentations

Stepshows, Yardshows, Strolling, and New Member Presentations are forms of cultural expression that provide entertainment and display the pride of an individual in his or her organization. Stepshows should create an environment that positively promotes fraternities and sororities to the campus community, especially to prospective members.

According to the NPHC Stepshow Guidelines (originally written by Jasmine Andrews, NPHC National 3rd Vice President and B. Afena Cobham, Assistant to the NPHC Executive Director in 2001) "fraternities and sororities are strongly urged to consider positive themes when developing stepshows... When skits are performed, they should be developed to convey positive political, social justice, and moral messages." Stepshows "which take the form of dancing, singing, and/or skits, should not be performed using lewd, indecent, or obscene behavior."

In keeping with the goal of promoting culture, class and civility at the academy, any fraternity or sorority recognized by Miles College must refrain from public displays that exhibit lewd, indecent, or obscene behavior or uses music, songs, or chants that relay the same.

Organizations must refrain from “bashing,” “dissing,” or any form of disrespect, degradation or belittlement to any other organization (NPHC or MC-BGC). Organizations must insure that their costumes and attire are in good taste and not in violation of the student dress code. Organizations must also insure that new member presentations do not display anything contrary to the Miles College Policy on Hazing.

As the academy seeks to direct students to seek “holistic development that leads to intellectual, ethical, spiritual, and service oriented lives,” the activities of fraternities and sororities will promote unity, positive expression, healthy student engagement, and responsible citizenship. Fraternities and sororities represent the best and brightest of students matriculating at the academy and members should serve as an example of fine and true Mileans.

An organization can be asked to immediately cease “performance” at any time by the Dean of Student Affairs, an Advisor, or any College Official who feels as though their display is inconsistent with the above mentioned policy.

Any organization in violation of the College’s policy on stepping, strolling, yardshows, and new member presentations, will be subject to fine and/or suspension and will be reported to their national office, if applicable.

NATIONAL PAN-HELLENIC COUNCIL, INC.

NATIONAL POLICIES AND STANDARDS

SHARED STANDARDS

Statement of Purpose

The National Pan-Hellenic Council (NPHC) was established on May 10, 1930, on the campus of Howard University in Washington, D. C., with the purpose and mission of the organization being “unanimity of thought and action as far as possible in the conduct of Greek-letter collegiate fraternities and sororities, and to consider problems of mutual interest to its affiliate organizations.” Early in 1937, the organization was incorporated under the laws of the State of Illinois and became known as the “National Pan-Hellenic Council, Incorporated.”

In an effort to assist institutions of higher learning across the nation and abroad in understanding the beginnings and function of historically Black fraternities and sororities, and the standards governing these organizations, and in a further effort to continue to address issues of mutual concern, focusing on five essential and shared areas, to the NPHC and member organizations (Alpha Kappa Alpha Sorority, Inc., Alpha Phi Alpha Fraternity, Inc., Delta Sigma Theta Sorority, Inc., Zeta Phi Beta Sorority, Inc., Iota Phi Theta Fraternity, Inc., Kappa Alpha Psi Fraternity, Inc., Sigma Gamma Rho Sorority, Inc., Phi Beta Sigma Fraternity, Inc., Omega Psi Phi Fraternity, Inc.), these standards have been drafted.

Expectations for NPHC Undergraduate Councils and Affiliate Chapters

1. Continued promotion of academic excellence

- A. Maintain grade point averages (GPAs) above the minimum GPA requirement to be an Active member of the chapter and organization as defined by the college or university, if standards are higher than said affiliate organization.
 - B. Maintain graduation rates equal to or which exceed the all men's or women's rates, respectively, on a given campus.
 - C. Develop scholarship programs that challenge members and potential members to achieve academically, provide scholastic support, and recognize both improvement and excellence in academic performance.
2. Demonstration of the values of NPHC, affiliate organizations, and host institutions.
- A. Integrate the stated values and mission of NPHC, affiliate organizations, and the institution into all aspects of the organization and membership.
 - B. Develop and implement a Standards Board to hold members accountable to the entire Greek-lettered community, as well as to the student code of conduct at the institution.
 - C. Sponsor monthly leadership programs which promote personal development and encourage implementation of best business practices.
 - D. Develop standards which discourage both the misuse of alcohol and the use of illegal drugs and which exact penalties.
3. Development of leadership skills.
- A. Provide members with opportunities for leadership development workshops and programs, through NPHC, affiliate organizations, and other programs sponsored by outside organizations.
 - B. Encourage affiliate chapter members to seek leadership roles in other campus organizations.
4. Development of positive supportive relationships.
- A. Comply with all hazing and mandated policies of the state, college/university, NPHC, and affiliate organizations.
 - B. Create programs that enhance the Greek-letter community and student body and thereby contribute to a positive relationship with the community at large.
 - C. Demonstrate a genuine concern for all mankind.

- D. Seek an appropriately credentialed Graduate chapter and Faculty/Staff advisor(s) to serve as advisories to affiliate chapters and the local NPHC
5. Develop citizenship through community service and outreach.
- A. Develop effective service projects and community outreach programs on an on-going basis.
 - B. Establish and maintain community service initiatives, while encouraging the participation of all members.
 - C. Participate in campus Greek-lettered and non-Greek governing councils, as well as non-Greek organizations and events.
 - D. Establish a positive and productive campus presence.

Expectations for Host Institutions

As the National Pan-Hellenic Council strives to collaborate with host institutions of our councils and affiliate chapters, the NPHC expects the following from those respective institutions:

1. Proper Advisement for Councils and Affiliate Chapters
 - A. Encourage and provide incentives for faculty and staff to become involved as faculty advisors to the NPHC council and affiliate chapters.
 - B. Provide a full-time staff member as the advisor to the NPHC council. If not a member of one of the NPHC affiliate organizations, that individual must be educated and credentialed on the operations and procedures of NPHC to be an effective advisor.
2. Leadership Development
 - A. Provide a leadership class for all new members each term.
 - B. Provide and/or help identify and acquire funding to ensure Council attendance at NPHC national and regional conventions and conferences and other NPHC sponsored leadership training programs.
3. Council Support
 - A. Support and assist NPHC in establishing councils where there are two or more affiliate organizations at the institution.

- B. Encourage expansion. No NPHC member organization is prohibited from selecting undergraduates for the purpose of establishing a chapter on the campus of the host institution. The host institution's NPHC Council may not deter expansion by withholding membership of NPHC organizations from the local Council.
 - C. Provide individual chapter, Greek system, and campus demographic information to council/chapters as requested.
 - D. Assist Council in meeting national and regional mandates, guidelines, and other requirements, including the payment of annual dues, submission of year-end report, attendance at national and regional meetings, and adherence to all national, regional, and local governing documents.
 - E. Provide an impartial judicial process with the opportunity for appeal.
4. Accountability
- A. Provide the following data to NPHC Headquarters (at least once per year):
 1. Campus, all men's/women's Greek system, and chapter GPAs by semester/quarter
 2. Total number of men/women who began the Membership Intake Process in all chapters in an academic year
 3. Total number of men/women initiated into all chapters in an academic year
 4. Percentage of fraternity/sorority men/women compared to total number of all men/women on campus
 5. Total number and name of chapters closed/opened in an academic year
 6. Status of the NPHC Council (e.g., inactive or active)
 7. Total number of full-time Greek Life professionals on campus
 - B. Communicate with national or regional offices of the NPHC or affiliate organization upon receiving a reason of concern. When the issue or concern is a council issue, contact the NPHC Regional Office. If the issue involves (a) chapter(s) and warrants some type of action, please contact that/those respective affiliate equivalent (graduate chapter advisor, regional office, or International Headquarters).

STANDARDS

In instances of National Pan-Hellenic Council members' difficulties, all chapters involved shall do their utmost to restore harmony and prevent adverse publicity.

Councils will not impose any rule or penalty, which will violate any established policy or procedure of one, or more of the NPHC member organizations.

Undergraduate NPHC councils must work with college/university administrators in an effort to build a constructive working relationship, which will lead to the furtherance of their joint objectives.

Graduate/Alumni councils must work with undergraduate councils in their respective communities in order to assist those students with constructive efforts both in the community and on their campuses. Additionally, graduate councils must cooperate with other community service organizations in their localities toward the goal of bringing about positive programs of benefit to the area.

Councils will actively recruit chapters in their immediate area that are inactive with respect to NPHC.

Councils will insure that each NPHC member chapter is granted equitable voting privileges within the established council.

Councils will pay all dues and assessments to local, regional, and national levels in a timely manner.

The Fiscal year of operation for the NPHC is from January 1 to December 31.

Councils agree to abide by all the provisions of the NPHC Constitution.

COUNCIL MANAGEMENT & FUNCTION

In matters specific to council function, management and governing documents, initial contact for council advisors and members should be your respective Regional Director. Local councils must maintain council bylaws, not individual constitutions and bylaws that are not in conflict with the national governing documents.

ALL councils operating under the name and guise of the National Pan-Hellenic Council, and using the official logo, MUST be financial with the national body of NPHC, Inc. and MUST adhere to all policies and procedures of the national organization. Those councils not in good standing are operating under false pretense and illegally under U.S. law.

If there is any question as to whether or not your council is financial, please contact NPHC Headquarters for verification. Email your inquiry to [info@nphchq.org].

All councils must establish and maintain a permanent council mailing address in the form of a PO Box or University Box; a personal mailing address belonging to a council officer is not recommended. NPHC will not assume the responsibility of returned mail or any repercussions that stem there from. Please list council name and mailing information exactly as listed with your local Post Office on all forms requiring your address.

SUBSTANCE ABUSE

The NPHC is concerned about the governing problem of substance abuse through the consumption of alcohol and the use of drugs, especially on college campuses. This is due to the alarming number of disastrous incidents in which alcohol and drugs play a part and the adverse health conditions caused by and relating to substance abuse.

The NPHC position is that the sale or consumption of alcohol or drugs at any NPHC council sponsored event on campus or at any student's residence or other facility is strictly prohibited.

NPHC strongly suggests that every undergraduate council offer educational programs specifically addressing the problems of and solutions to substance abuse on or around the local campus.

STEP SHOW CONDUCT

The National Pan-Hellenic Council recognizes that "step shows" are a creative and unique form of artistic and musical entertainment, especially at the undergraduate level. At most colleges and universities, students who are members of Greek-letter fraternities and sororities participate in such forms of entertainment as a means to promote and enhance the image of their respective fraternal organization and to showcase the talent of their membership. Step shows provide students, parents, faculty members, college and university officials, and the public a forum to better understand the unique culture (e.g., history and traditions) of African American fraternities and sororities.

Such cultural expressions may also have the potential for individuals to form opinions about the values and beliefs of local fraternities and sororities, as language, behavior, and symbols send strong messages. Additionally, it is plausible that step shows help prospective members become more informed about the organization in which they seek membership. Step shows have the potential to be a source of marketing African American fraternities and sororities.

For fraternity and sorority members, many step shows help create an environment conducive to intra and inter-group fellowship. This bonding may be particularly valuable to African American students matriculating at predominately White institutions, where many of these students feel isolated and perceive a lack of emotional support.

Although step shows enhance the undergraduate experience, they should not involve the degradation and/or belittlement of any other Greek-letter organizations, including fraternities and sororities affiliated with the NPHC, National Association of Latino Fraternal Organizations, National Interfraternity Conference, and the National Panhellenic Conference.

Further, step shows which take the form of dancing, singing, and/or skits should not be performed using lewd, indecent, or obscene behavior. Although freedom of expression is valued by this organization, performances of such reproach are not only inconsistent with the negative stereotyping which often overshadows the positive philanthropic and global projects undertaken by NPHC organizations.

The nine national presidents of the historically African American NPHC fraternities and sororities strongly urge undergraduates to consider positive themes when developing step shows. Such shows can highlight famous African American contributions to society. When skits are performed, they should be developed to convey positive political, social justice, and moral messages. The NPHC invites local councils and affiliated organizations to send creative, alternative step show ideas to the NPHC International headquarters for widespread exchange of artistic and musical expression.

NON-MEMBER ORGANIZATIONS AS MEMBERS OF LOCAL COUNCILS

Due to issues of liability, local organizations other than nationally affiliated organizations of NPHC, Inc. are strictly prohibited to sit on a local graduate or undergraduate council. If a council and/or college or university allows this violation that entity assume sole liability.

NPHC is by no means an exclusive organization. The NPHC Constitution and Bylaws and Task Force Summary report (October 1999) specifically outlines criteria for membership in NPHC, Inc. As is the case with the North-American Interfraternity Conference, Inc. (NAIC or NIC) and National Panhellenic Conference, Inc. (NPC), any national or international organization meeting the set criteria may petition for membership under the NPHC strategic alliance.

Article IV - Membership, Section 2, of the current NPHC Constitution expounds upon this category of membership.
