Evaluating Websites

- Who is the author? What are their qualifications? Is there an “about us” section?

- What is the content? Does it seem biased? Are there references?

- When was it published? Is the information current?

- Where is the domain? (.edu, .gov, .org, .com)

- Why was the website created? Is its purpose to educate, to sell or to persuade?
You must exercise ethical use and responsibility.
